## VIRTUALLY TOGETHER

OFFICIAL CORPORATE SUPPORTER

### The IBA 2020 – Virtually Together Conference

provides an exciting new way to bring the IBA and the world's legal community together in a spirit of shared purpose. In this period of uncertainty, it is more important than ever that relationships are maintained, old friends greeted, new contacts made and knowledge and experiences shared.

The IBA 2020 Virtual Conference will offer a substantive and interactive programme, filled with creative, professional and social networking opportunities. Above all, it provides the opportunity to enjoy the virtual experience of what an IBA Annual Conference offers.

### IBA 2020 – VIRTUALLY TOGETHER WILL PROVIDE YOU WITH:

- Extraordinary programme of working sessions – over 250 sessions offered by IBA committees, spread over four weeks and available live or when it suits you
- Real time participation – the opportunity to participate and react in real time to the presentations from leading global practitioners
- Great speakers – a spectacular line up of high profile international speakers and showcase sessions
- Extensive networking and business development opportunities – virtual networking sessions linked to working sessions for committees, delegates and speakers to continue the conversation
- Community – interactive sessions to build the feeling of community among delegates from around the world
